

AMBITIOUS ABOUT AUTISM WITHDRAWING CONSENT

Ambitious about Autism (AaA) and Ambitious About Autism Schools Trust (AaAST) recognises its responsibilities with your data from both a legal and a relationship point of view. Under the terms of updated Data Protection legislation and the General Data Protection Regulation (GDPR) our legal basis for processing your data is often based on consent. This can be given, or withdrawn, by you at any time as it is based on an opt-in/opt-out mechanism.

This document outlines how you can contact us to withdraw your consent for our communicating with you. If at any time you change your mind and wish for us to contact you again then you may opt in again and do so.

There are several ways in which you can withdraw your consent for us processing your data:

Online

If you go to <https://www.ambitiousaboutautism.org.uk/who-we-are/contact-us> you will have the opportunity of opting out of the various communication methods and areas of interest that we offer. We will send you a confirmation email and action your wishes.

Telephone

If you wish to withdraw your consent please call us on 020 8815 5444. We will change your consent opt-ins and offer you a written confirmation.

Post

To alter your consent settings with us you can write to us advising us of these changes at:

Consent
The Pears National Centre for Autism Education
Woodside Avenue
London, N10 3JA

We will happily confirm your changes by post or other communication method as you request.

Email Address

To alter your consent settings you can also email us at dataprotection@ambitiousaboutautism.org.uk

Telephone Preference Service and Fundraising Preference Service

These are monitored on a weekly basis and updated in real time.

How consent is maintained at Ambitious about Autism

We manage your consent on our secure database the Raiser's Edge and will update this according to your wishes about how we may, or may not, contact you and with what kind of information you would like to hear from us – whether this be fundraising and event opportunities or developments in our services.

It is best practice to renew consent every two years and we will be factoring this into our business practice.
