‘In aid of’ logo

We are providing you with three versions of the ‘In aid of Ambitious about Autism’ logo - full colour, black, and white versions. These logos are free for you to use on any materials you create for your own event or challenge. Please ensure you use this ‘In aid of’ logo instead of our main ‘Ambitious about Autism’ logo.

Using the Ambitious ‘In aid of’ logo

- Use the logo in this original form and do not alter the colours or proportions
- Make sure that there is space surrounding the logo so that it is visible and stands out.

Logo dont’s

- Never alter our logo
- Do not shear or skew
- Do not use a different typeface
- Do not place a coloured logo on a simillar colour background. The colour logo can appear on a colour background as long as this does not impede legibility. Use a black or white logo instead
- Do not apply effects or graphic filters such as Bevel and Emposed, gradient, inner shadow or glow etc
- Our logo should never have any drop shadow
- Do not outline
- Do not use as a mask or holiding shape for imagery or graphics.
