

Our journey since 2014

Key milestones

2014

We opened our first campus, Ambitious College Pears Campus, co-located at the College of Haringey, Enfield and North East London.

At this time, Ambitious College was London's first specialist day college for autistic young people.

2021

For the second year in a row, Ambitious College won a prestigious natspec award for its innovative and integrated approach to home teaching during COVID.

2024

We launched a second Supported Internship at Chessington World of Adventures Resort, in Surrey.

2026

New Supported Internship launches at LEGOLAND® Windsor Resort.

2017

Our appeal target of over half a million pounds was reached, enabling us to open a second campus co-located at West Thames College.

We held an official opening event, attended by Edward Timpson, former Minister for Children and Families.

2019

Ambitious about Autism's first Supported Internship programme launched in partnership with the Whittington Hospital.

2025

The college gained the Quality in Careers Standard.
Supported Internship at Amazon, Weybridge launches.
