Thank you

This project would not have been possible without the generous support of Kes Gray and Chloë Batchelor who we partnered with to create "The World Has Turned Upside Down" illustrated story. We're also grateful to Red Brick Road, m/SIX, The & Partnership and Tony Gray from Words by Design for giving their time to support the publication of this story.

Thank you to Terry Stevens from TreeHouse School (UK) and Christine Ashton from Heatherwood School (Australia) for sharing their time and expertise to help us produce this worksheet.

We are Ambitious about Autism

Ambitious about Autism is the national charity for children and young people with autism.

We provide services, raise awareness and understanding, and campaign for social and policy change. Through TreeHouse School, The Rise School and Ambitious College, we offer specialist education and support.

Our ambition is to make the ordinary possible for more children and young people with autism.
